Relay patio and new fence.

Excellent!

Paving of drive in rear garden (car access via back lane). Astroturf replacement of two medium lawns in rear garden. New secure gates from rear garden to back lane. Sleeper plant housings alongside three walls in rear of garden.

10 / 10

The finished job is excellent in every way. The paving is an exceptional improvement over the old, cracked cement drive. The astro turf is beautifully fitted. It is a wonderful improvement over the old, patchy lawns. The secure gates are expertly made and have a very tasteful appearance on the side that is visible from the back lane. The sleeper plant housings are very attractive and give the back garden a wonderful harmonious atmosphere.

Ray and his team were polite and professional and after each day left everything tidy. They did a fantastic job and I would highly recommend them and use them again.
