Recent Customer Feedback

Corner sofa, lounge, dining room and stairs carpets all cleaned to a high standard — 10 / 10

I used this man on the recommendation of my parents as they have used him before, and his work and final finish was excellent. I was not disappointed. He came in plastic covers on his boots, cleaned the corner sofa then used the blowers to dry the sofa. He carried on with the rest of the cleaning and the overall finish looked like I had brand new carpet just laid. I would certainly recommend this man.

I have used this gentleman before and was impressed with his standards and how the work was carried and how clean everything came up. I would recommend people to call this guy before trying anybody else.
