Brilliant job from start to finish.

A complete revamp of our bathroom from floor to ceiling. Bath replaced by large shower enclosure.

The two fitters Karl and Paul who arrived on Monday are really nice guys but very professional with it. Over the week they ripped out all the old tiles, bathroom suite etc. and created a new ceiling as well as installing very modern replacements and retiling the whole room. The bathroom now looks very impressive as well as functional. My wife and I are very happy with the result.
