Recent Customer Feedback

Installation of new boiler and provision and fitting of radiator thermostats and external pipework.

10 / 10

Extremely efficient and excellent price for amount of work done. Prompt timekeeping and kept me fully informed of potential delays. Tony and apprentice James are friendly and polite and worked well together ensuring quality work. Probably less dust on house than before they arrived as cleaned up so well. Excellent service all round. Strongly recommend.

Customer in Wallsend , 08-Dec-2016

Replacement shower cubicle and floor joists replaced.

10 / 10

The work was completed in a very professional manner, with explanations about what was needed to be done as the work progressed. All rubbish was cleared quickly and the area cleared at the end of the day.
