**Opened out existing staircase. Removed old panelling. Fitted new banister, newel and spindles. Boarded under stairs space. Installed new door and architrave to under stairs area.** 10 / 10

Gary visited and appraised work required. Gave advice on alternatives. Discussed the processes involved. Gave us a clear time line for commencing and completion of work. Gave us an estimate within 24 hours. Completed the work on the dates agreed. The work exceeded our expectations. Gary was friendly and studious, he cleaned as he went. I would highly recommend him. Excellent value for money

#### Gary fitted 3 solid oak doors and did a fantastic job

10 / 10

He was pleasant, professional, and unlike a lot of tradesman he actually turned up when he said he would. Fitted my doors within 1 day and cleaned up afterwards. I would definitely use him again for joiner jobs.
