Redesign of back and front gardens at my house. Predominantly hard landscaping with various features.

10 / 10

I am absolutely delighted at the end result William and his team gave me with both my front and rear garden make-overs. Very tidy and conscientious workers. All delivered on time and on budget. I asked for additional work during the contract which was able to be factored in during their visit, for which I was so pleased. Would have no hesitation in recommending their services.
