Cannot fault the workmanship of this team. From start to finish were very courteous with us and respectful of our property. Did an awesome job transforming our shabby and dated shower room into a "WOW" room. Thank you.

Total house refurbishment. Started with a complete new bathroom. Then all new ceilings, walls, woodwork, doors as well as loft with flooring and wooden ladder. Fireplace removed and floating mantel installed with stone heart in living room.

Alan and his team were excellent, all work done to an exceptionally high standard. Clean, tidy and very professional. He also helped and advised me along the way as this was not an easy job to do. Two builders had let me down. Alan stepped up to the mark taking full control and couldn't have been more helpful. I would highly recommend him. They are all totally trustworthy, they all became friends along the way. Great people.
