Complete bathroom re-fit. Designed and provided plans and photo impressions before deciding on which design to choose. Bath, basin, toilet and shower cubicle all replaced. Floor, ceiling and walls all cladded and sealed, new light fittings.

Excellent service from first contacting the company, through to the design stages. The standard of products installed is superb. Kirk undertook the installation and checked with us at every step of the way, to ensure he could meet our needs. Our bathroom has been transformed and makes showering and bathing a real pleasure.
