Recent Customer Feedback

Replacing ridge tiles.

4.5 / 10

From what we could see the work seemed fine, but he said he needed just 3 more ridge tiles to complete the job and would come back another day. A few days later he said the gearbox had gone on his van and asked for £30 to pay towards getting it fixed. (As he'd previously done work for my daughter in the past and seemed like a nice lad, I paid him). Despite promises to come back and complete the job, he never turns up and we get nothing but excuses. Had no further response since. Very disappointing!
