Adam worked very hard on his own and made a good job. Timekeeping was not brilliant, but the weather was poor and didn't help!

Worked very hard when he was here.

Block paved back garden.

10 / 10

Completed the job within the original/agreed time frame. The weather was raining most of the time, but this did not deter the two workers. They worked extremely hard and ensured the job was finished to a very high standard. Very knowledgeable and hard working. Very pleased with the result.
