Home renovation. Remove internal walls, create open plan kitchen/diner to high-spec, convert part garage to utility, replace all 10 / 10 windows, fit kitchen and utility, replace radiators, conceal staircase, install oak window boards and handrail etc.

ADH builders were recommended to us and so we had already seen the high standard of their work. However, they completely exceeded our expectations. They completed a complete renovation of the downstairs of our house, it's an old house so they faced many obstacles along the way but they sorted each and every issue professionally. David is amazing at what he does and he has a talented and friendly team who all genuinely care about the job they are doing. I felt nervous about having builders in our house for several months but I needn't have worried, they felt like friends by the end. David works closely with other excellent tradespeople and it made it so much easier for us having him manage our entire project. Our job was completed on time, on quote and to our total satisfaction. We would not hesitate to recommend these talented, professional and honest builders.

A complete re-fit of the bathroom, including replacing radiators with a heated towel rail, a new ceiling, putting in an extractor 10 / 10 fan, new suite, plastering and re-tiling.

Excellent job. We have used 'ADH' before and have always been impressed with the work done. <P> Three particular things we like about 'ADH' are 1) They are honest about whether a job needs doing or not. 2) David Hepple explains the details of the job well, so we always understand what is happening. 3) They always want to do the job well - Not just get it done.

Single storey extension to rear of house. Opening up the back of the existing house, to provide new large fitted kitchen, 10 / 10 family/living space, building a stud wall to make existing lounge a separate room, new flooring throughout downstairs.

Excellent service. A professional, respectful, knowledgeable and totally trustworthy team <P> Built within timescale and exactly to plan. The slight tweaks we wanted to make were discussed openly and carried out seamlessly, always with a smile. <P> We were kept informed and updated throughout. David and his team have made our vision come alive and we are very happy with our new big extension and kitchen. <P> We would gladly recommend 'ADH Building Services' and we would definitely use their services again. <P> Thanks David, Kev, Dan, and Paige and the rest of the tradesmen who have worked so hard.

Single storey extension with new kitchen utility and laid a new patio. 10 / 10

Job was carried out as detailed in the quote. We were kept informed all the way through. <P> The job was completed well and we are very happy with the end results. Dave was always happy to change things when we wanted extra things done.

Change kitchen and dining room and door into a garage. 10 / 10

Very pleased with the workmanship. Made a good job of the kitchen and swapped the rooms and access to the garage.
