Recent Customer Feedback

Windows fronting 1922 double-fronted house double glazed, and replacement double glazing in french doors at the back. 10 / 10

We got our quote last year and although there was a wait (we're warned about it) It proved well worth it for the end result.: top quality frames and widow-furniture and a job well and skilfully carried out. We are delighted with the whole thing. The sides of the bay window hadn't been openable for over 50 years, now you can whizz them up and down, and when you've finished playing with them, lock them securely with a lovely brass lock. Glen and his team are brilliant.
Customer in Newcastle upon tyne, 23-Oct-2025

Replacement of 2 uPVC windows with 4 sash and case windows. 10 / 10

Incredibly satisfied with the quality of the windows, work was completed on time, finished to a very high standard and the property was left spotless following completion. The work has completely transformed my home and I could not be happier with the result.
Customer in Ryton, 04-Jul-2025

Abbey Sash Windows provide the best sash windows and quality workmanship second to none. Chris and Graham replaced a very awkwardly placed kitchen window and repaired a small w/c window today. All work carried out to very high standard and would recommend 10 / 10

Outstanding .
Customer in Newcastle upon Tyne, 12-Jul-2024

Installation of upstairs front and back windows, incorporating original stained glass windows, 100 years old. 10 / 10

Windows transformed from original stained glass, with full cleaning and repair, incorporated within double glazed units - effectively triple glazed, in hardwood frames. Standard of workmanship and installation superb. Communication of cost and timescale very clear.
Customer in Morpeth, 05-Jul-2024

Original Victorian sash windows completely refurbished with new double-glazed sashes, draughtproofing and full box and frame repair throughout. 10 / 10

We have had all 21 sash windows in our house refurbished by Abbey Sash Windows in two separate jobs 3 years apart to spread the cost. Glen, Chris and George have done a fantastic job and were extremely friendly and professional throughout, even when the condition of some of the window frames turned out to be worse than they looked and took longer to complete. Every day they left the house spotless even though they were coming straight back the next morning. The completed windows are very high quality, with new double-glazed sashes to replace the old single-glazed originals and the frames and boxes fully repaired and draught-proofed all round. The new windows work perfectly and look amazing. I can't recommend Abbey highly enough, ten out of ten across the board.
