Recent Customer Feedback

My late mams house had a flood a lots of damage to lounge ceiling, coving and one of the walls.

10 / 10

I contacted Dean about the job and he was on hand to review damage, give a reasonable estimate within my budget and was on stand by once property dried out. Work started promptly and done with the estimated 3 days to a very high standard as always by Dean and his soon. Clean and tidy work too.

Damp proofing to lounge, kitchen and passageway walls

10 / 10

Dean and his team started the job Tuesday and was done in 3 days. Very professional, workmanship to very high standards was told the ins and outs of process of work to be carried out and very clean. Amazing job for the price. Always on time, would highly recommend. Will definitely be using dean in the near future.

Replace 2 large ceilings, plus plaster them and fit coving

10 / 10

Dean came out to give me a quote, he knew what needed doing and I was happy with what he quoted. He took down 2 ceilings, replaced them, skimmed and then put up some coving. I can't fault his work at all, the ceilings look amazing, he left my home clean and tidy. I'd highly recommend.
