Recent Customer Feedback

Three built in wardrobes ripped out, new design, and full new interior and doors fitted. 10 / 10

Ace completed a professional job with a realistic cost. Jonathan was extremely tidy and respectful of our property, using dust sheets and an industrial hoover. Unlike other trades, Jonathan contacted us to ensure we knew when he would arrive, and which days he would need access to the property. We made a few tweaks along the way which Jonathan was very accommodating about, we are very pleased with the finished work. It's made such a big difference to the space, and much more user friendly. I would recommend Jonathan to anyone needing wardrobes.

Manufacture a 4 bay wardrobe. 10 / 10

An excellent service from an individual who obviously takes pride in all aspects of his work. Jonathon guided me through the whole process, offering advice and suggestions when necessary. He was the most professional of individuals, polite, on time, tidy and delivered work to the highest standard. I am pleased and impressed with the finished and would have no hesitation in recommending to others.
