Laurent did an excellent job we are so pleased with his hard work and attention to detail would recommend him to anyone.

Laurent sorted me a new kitchen, the old one was very dated. He recommend a local plasterer, electrician and Howdens and all completed the job on time on budget and I was especially impressed with the limited 'mess' there was. In fact the opposite

I am very pleased. The end result matches the Howdens design to a tee and people that have seen it say it's very smart.
