Full Bathroom Refit

10 / 10

Brilliant job done by Jon the work was completed to a very high standard and Jon was very helpful and very efficient going above and beyond with various other problems he came across. Everything was left clean and tidy at the end of every day I would not hesitate to recommend Aquavite and would most certainly use them again.

Jon was great to communicate with. He arrived on time, sent an estimate, completed the work on time to a high standard and as per estimate.

He is very approachable and a nice bloke to talk to, explaining things as he went.

Highly recommended.

This is the second time we have used Aquavite, last year Jon overhauled our ensuite and this year he has completely transformed our bathroom.

10 / 10

The main bathroom was old and needed upgrading (including removing a big cupboard and movement of pipes etc).

Jon worked with us to completely redesign the bathroom acknowledging my preferences and giving his expert advice. Jon is a perfectionist and this is reflected in his work.

He has created a fantastic bathroom which we love and are very proud of.

Thanks Aquavite.... We would definitely recommend you to anyone.
