Recent Customer Feedback

Outside terrace on top floor of Victorian terraced house - new membrane and full composite tiling - cleared gutters - replaced chimney pot covers & missing roof tiles & new leading where required. 10 / 10

Michael initially came to provide a quote - he was friendly & professional and knew exactly what was required - the quote was excellent value so we went ahead without hesitation. He gave us a commencement date within a month and Michael and his very competent team arrived at 8.30 on day one and hardly stopped ! By day 3 we had all jobs completed to a really high standard. They left not a trace of waste materials and even fixed our neighbours loose tiles ! The guys were respectful of our property and very trustworthy. Accordingly, we would highly recommend this company for any exterior work
Thank you Michael

Quote on a new roof. 10 / 10

Came out to give a quote, very polite and professional. Was responsive and quick with a quote, accepted as soon as we could. He then got us booked in as soon as he could, turned up and honestly done a brilliant job, very good set of lads and very impressed with the work they've done. Can't recommend the company enough.

Securing cage around solar panels and fixing lead flashing under window. 10 / 10

Received a text to confirm date and time job would be done, arrived promptly and work completed within specified time frame, I'm very impressed with the service and would not hesitate to recommend.
Customer in Whitley Bay, 29-Sep-2023

Leak from the roof to the bathroom. 10 / 10

He came within an hour, very helpful and friendly. Put his ladders out and straight away, had a good look around and within a few minutes came down and said he had fixed the issue and took photos to show me what had done. He took no money . He was friendly and helpful. He can't be beaten.
Customer in Wallsend, 20-Sep-2023

New roof old roof stripped off all rubbish removed new roof installed all within 2 days 10 / 10

Great company would totally recommend the scaffolding went up a week before. All the roof things were delivered a few days before installing. Work was so fast. Front part of roof removed and replaced in one day back part of roof the following day.
