Recent Customer Feedback

Installation of composite front door — 9.8 / 10

2 Directors originally called to assess the job & provide a quote, Ashleigh in the office provided images of the door styles/colours/glass to help our decision then a firm quote.
We were advised what happened next & the timescales for manufacture/installation.
The fitters were efficient & cleaned up afterwards.
We are delighted with the end result.

To replace all uPVC windows and front and back doors — 10 / 10

Bespoke Windows Darlington Ltd did excellent work for me in replacing all the uPVC windows at my home as well as the front and back doors. They supplied and fitted 7 casement windows, 3 bay windows, 1 uPVC door and 1 composite door. The work was completed on schedule and within the agreed price. My initial contact was with the owners – Dave and Derek. I admired their knowledge and experience and I was impressed by their commitment to quality and high standards. My follow-up queries were handled promptly by Ashleigh in the office who was always pleasant and helpful. The window fitters – Garry and Frank – were highly skilled and they worked hard throughout the entire installation job. And, when one task required some quick thinking, Garry and Frank calmly arranged a solution without delay and kept me informed. And, in the factory, the work of Marc and Chris was essential to the success of the job. All in all, I'm so glad I chose Bespoke Windows Darlington. I would highly recommend them as a thoroughly professional local firm doing good work and providing great customer care.

I required two replacement doors. The second door had a window to the side. The doors were secure, had the reinforced metal cross in them. ABS locks. Full fensa given. — 10 / 10

The job was completed well. Very happy with the work. I have used this company about 3 or 4 times now for different fittings and they have always impressed me. The staff are extremely friendly and helpful. I would not go anywhere else, previous jobs have all been excellent and up to standard.
