Done some house clearance, decided to try Vaughan. 10 / 10
Needed them 2 days running, absolutely excellent, quick. No fuss at all, great lads, and so reasonably priced.

Furniture removal 10 / 10
Booked the guys to remove my Mum's sofa and two chairs. Unfortunately due to a change of circumstances our end and we needed to bring the collection day forward. Dan arranged for the guys to come out within a couple of hours of my call.

We've used Vaughan Waste services serval times now and would have no hesitation recommending them. Great service!

Removal of unwanted items that had accumulated in a warehouse we were moving out of. 10 / 10
Moving out of business premises is so stressful and realising how much stuff you need to move just adds to the stress. Meeting Dan to take it away was an absolute pleasure. We could of used our own staff & vans but that would of taken them away from our own work. At first I asked for 1 maybe 2 runs but ended up with 5! … each time I called he booked me in straight away or for the following day. He turned up when he said he would and all the lads were extremely friendly and professional. I'd definitely recommend Vaughan Waste Services and I'm sure we will use them again in the future.

The job was a small house clearance Very pleased with the service. Came out within an hour of me asking for a quote and then did the job there and then for me at a competitive price. The lads worked really hard and had the job done in no time. 10 / 10
