Relaying, levelling patio and installing a parking space to the front.

9.2 / 10

Oliver's team brought the job in over a very tight time frame and worked exceptionally hard in what proved to be very challenging weather conditions.

Block paving for a small driveway

10 / 10

Absolutely delighted with the work and with all the people involved. The driveway looks better than we imagined and the advice that we got about the choice of colour and the layout was very helpful. Oliver was lovely to deal with, very responsive, and friendly and respectful. The guys who did the job cracked right on with everything and were also lovely to have around. Very happy to recommend them and very happy to score them 10/10.
