Recent Customer Feedback

Trim back garden hedge, prune and shape front and back garden shrubs, remove two shrubs and treat fences with preservative. 10 / 10

Anthony was great to deal with. He responded very quickly to my request for an estimate and then arrived four days later to do the work. Anthony and his colleague were very professional, worked non stop and were courteous and very friendly throughout.

New fence fitted on top of brick garden wall 10 / 10

We contacted Durham City Landscapers and Anthony arranged to come out and look at the job, check prices and quote us for it. He gave us a call back and managed to come out even earlier than originally planned, which was great. Then when we decided to go ahead he and the lads worked non stop until the job was done. Checked in with us regularly to let us know what they were doing and asked for our opinions on things like placement of the gate latches before going ahead. Completely transformed the front of our property and made it tidier and more secure. 10/10!!!
