Recent Customer Feedback

Complete re-roof, including new battens and some guttering as well as repointing the chimney. Also a new flat roof over a bay 10 / 10 window.

The slight amount above budget was because of what building regs demanded - Elliott warned us and gave us options.

The work was done cheerfully and with great care. Very happy - will be going back to Elliott for any future roofing work.

Replacement of roof.

9.8 / 10

The workmen turned up on time, were very polite and each one knew his job.

I was kept informed throughout the job.

Customer in Ryton, 03-Mar-2026

We needed the entire roof of our bungalow and its extension replaced as it was over 50 years old. We also found out that, upon inspection, our garage and our guttering needed to be replaced as well.

9.7 / 10

The team were some of the most hard working contractors I've ever met. Through rain or shine, but mostly rain, they worked endlessly to get the job done. Not only did they work hard, they were honest, transparent with timelines and the extent of the work required, and treated our home with respect and ended up with a grand job. This company was recommended to me by a neighbour and I would happily recommend them forward.
