Double glazing window installation x 6 windows — 10 / 10
Composite front door fitted
UPVC back door fitted

From start to finish the whole experience was pleasant and hassle free. Stephen was very knowledgeable, and made great suggestions that would work better for what I required. The work was completed to a high standard and the 2 lads who came to fit the windows and doors were polite, professional and left the place spotless! Everything ran like clockwork and I'm beyond delighted with the end result.
