Changing locks on a front door and a set of patio doors.

Great job, very friendly and helpful. Saved me some money by showing me how I only needed to get one of the patio door locks changed because of the mechanics of the door. All on time and done quick.

Had problems locking and opening pvc door

10 / 10

Couldn't open or lock Pvc door. Called Andy at 8am on the morning and said he could come at 10am, Andy managed to get door open and diagnose problem that was occurring. Fixed the door. Throughout his visit Andy was explaining what he was doing, without using jargon I didn't understand. Would thoroughly recommend Andy. This is the second time we have used him.
