Recent Customer Feedback

Replacing the broken extractor fan, fitting a new light and replacing an LED light. 10 / 10

I'd a few small electrical jobs and Paul was recommended by a neighbour. I can't praise him enough. He replied almost immediately to the message I left, arranged a date to come to my home, was on time, friendly, professional and the price for all the work was very reasonable. I've passed his number on to all my friends and would highly recommend him to anyone who needs any electrical work doing 10/10.
