Decoration (wallpapering) of a living room - included stripping old paper, also painting ceiling/skirting boards. 10 / 10
We are very happy with the end results. A potential issue with the quality of the wall was discovered after old wallpaper stripped, however, this was swiftly addressed and job proceeded without delay. All within agreed budget and work completed to a high standard, ahead of schedule.

I was left in the lurch by a previous decorator (not on Checked & Vetted), who left me with a partly, and badly, decorated staircase. The paintwork had been done and a coat of emulsion had been put on the walls, in preparation for wallpapering, 10 / 10
George came to my rescue, fitting me into his busy schedule. He was very helpful, friendly and professional. He rubbed down the badly painted walls and hung the wallpaper for me. It took longer than he expected because a false ceiling created uneven angles for the paper. He did an absolutely fantastic job, with care and great attention to detail, working tidily and respecting my home. I will have no hesitation in contacting George for any other decorating I need done and will recommend him to all my friends and family. Superb tradesman.

Complete redecorating of two bedrooms and refreshing of lounge ceilings and arches also windowsills and fireplace. 10 / 10
George turned up promptly to give us an estimate.
Both bedrooms had the old wallpaper stripped expertly.
The two bedrooms completely redecorated ceilings, coving, skirtings. All walls were papered using Laura Ashley wallpaper, which a lot of decorators do not like hanging. The papering was to an excellent standard.
The lounge ceilings, coving and arches were painted to a high standard. The fireplace and windowsills were painted to a high standard.
The furniture was covered and everything was clean.
We were pleased with the whole job and would certainly recommend him to anyone.
