Door canopy fixed

9.8 / 10

The felt on top of my door canopy was coming away and the paint on the wood underneath was flaking badly. Hugh came out the following morning and did the job two days later which was earlier than expected. The underneath was covered in UPVC, hiding the horrible wood which saved an awkward paint job. This was not offered by another firm. New felt was put on and it now looks good as new! Also cheaper than a new UPVC canopy. No pressure, unlike another firm with similar name. Highly recommend.

New roof on my home and repairs to my mums home next door

10 / 10

Mr McGuigan came to quote for the job on the day and time agreed. I was sent a proforma invoice quoting work to be done. The job was completed in the time scale I was given. Recommendations were made that changed the invoice total by a very small amount. I would highly recommend this company, very professional. Thank you for a stress free job.
