Interior wall removed, plumbing and electrical work. Plastering the room.

Ian and the team were great throughout the project, good communication.

The work has been carried out to a high standard and the team tried to be tidy even when the work was dusty and messy.

The quote was very reasonable, and I will be using their business for other projects in the future.

Demolish and rebuild a garden wall at the front of our property.

10 / 10

After a phone call Ian came very quickly to view and quote for the work and gave an approximate time scale. The job was carried out to our complete satisfaction and also on budget. The site was left tidy and clear of all building materials....very rare these days. Based on our experience I would recommend this company and would use them again.
