Decorated kitchen, included painting ceiling, walls and door frames.

10 / 10

I found James to be friendly, helpful and professional. He completed the work to a very high standard and to the timescale we'd agreed. I was very happy with the finish, and he left everything absolutely spotless and tidy. The price charged was very reasonable and I have already asked James to do further works for me. I would not hesitate to recommend this company.

Painting living room walls, ceiling and woodwork

10 / 10

James has done a fantastic job on painting our living room - he did walls, ceilings and all woodwork.

He paid us a visit to give us a quote which he sent through properly and gave advice on paint and colours.

He has done an extremely thorough and professional job - the finish is to a very high standard.

In terms of set up, James ensured that all of our furniture and carpets were fully covered, and moved where needed.

James himself is really helpful and friendly - we have no hesitation in using him again and recommending him to others.

Decorate a large hall way stairs and gallery landing. Preparation and emulsion and paint wood work

10 / 10

A fantastic job. The preparation was extensive and every correction to plaster work and woodwork was done in great detail. The finish is excellent the cutting in is so precise the finish flat and perfect. A professional. I thought I was not too bad at decorating but he is on a different level. Every day was left clean and tidy and would recommend any time.
