Ken who was very pleasant came to look at the job and see what needed to be done. After arranging with the office two nice pleasant lads came and put a whole new piece of gutter in. I totally recommend this company and would use them again.

Phoned Ken on Tuesday came out yesterday to look at what needed doing, gave me a price & came out this morning & him & his grandson did the repair on my sons roof. Checked rest of roof said it was in a good state & nothing else needed doing. Would recommend.
