Recent Customer Feedback

New front door fitted.

10 / 10

We highly recommend LGM Joinery & Double glazing. When professional fitters, Tommy & Dan arrived to fit our new door, we discussed problems we had with the door that had been fitted by another company and they immediately put our minds at rest. They explained everything clearly as to what they were going to do. They were friendly and did an excellent job, they also ensured that everyone was tidy before they left. Quality of products was excellent.

Replacement of two bedroom windows on a bungalow and additional repairs to an existing bay window.

10 / 10

We have used LGM for many years now from windows to doors and even a new conservatory roof. On each occasion, including this one, the work was carried out to a very high standard by extremely professional fitters. Absolutely no complaints and would definitely recommend
