Kurt installed new radiators in most of the rooms in the house and a new toilet in the bathroom.

Excellent. He has already fitted a new kitchen, bathroom and en-suite. His work has always been to a very high standard and this was no exception. I would recommend Kurt Manson to anyone.

Couldn't have been better - quality of work and service was superb. Was really tidy and nothing was too much trouble. Wouldn't hesitate to recommend. Already going to use for our next project - a new kitchen.

We live in an old terrace house and Kurt encountered many problems from previous plumbing work. However he always found a way of solving the problem and keeping us informed. It took him longer than anticipated but this was only to be expected. We would highly recommend him to anyone and everyone and felt that the price we paid for the work was worth every penny. He is a lovely young man with a great work ethic.
