Recent Customer Feedback

4 jobs were requested and these included 2 new taps (single tap & kitchen mixer tap), fixing a leaking toilet cistern and repairing a hatch cover which had fallen off. 10 / 10

Very impressed by the quick response to my enquiry and by how efficient Marcus was with the varied tasks undertaken. He was very professional, helpful, tidy and very reasonably priced. It was a pleasure dealing with such a personable and friendly contractor.

Fit wooden half tongue and groove and trim, and small shelf, to ground floor WC. 10 / 10

Marcus completed a very professional job within a day. Actually did the job ahead of planned date as he miraculously found space in his very busy diary to fit it in. It is no wonder he is booked well ahead, his work is very precise and well planned. He works tidily and for this job of course his plumbing experience was perfect. He is the best.

Installation of kitchen mixer tap. 10 / 10

Excellent service given by Marcus. He was recommended by two friends and I would now confirm their recommendation. Marcus is a reliable handyman who is a plumber by training, but will do other small jobs that other contractors won't do. His charges are fair and reasonable and he is a delightful person to have in your home.

Securing downpipe to gutter. 10 / 10

My downpipe had come away from the top guttering and needed a new bracket. The job was done in less than 2 days. This is the 4th time I have used Marcus and yet again a swift and reliable response and reasonable price. He is always very helpful. I'm glad I found him as he has done a range of jobs for me.

Marcus installed a new shower in our en-suite and sourced and fitted a new door handle in our hallway. 10 / 10

The shower is working perfectly, better than when we moved into the house!

I had been told by a few tradespeople that they no longer made the door handles needed to fix our hallway door. Marcus found one and fitted it so that we can now at last shut the door! Thank you.

Marcus is extremely professional and is an efficient communicator. He always leaves where he has worked spotless and completes work to the highest standard on a reasonable budget. We feel very fortunate to have found such a trustworthy and courteous Handyman.
