Sand and seal floorboards to specification 10 / 10
Great to deal with from advice to quote through to floor engineers on the day. End result was perfect, would highly recommend. Jamie & Natalie, Wallsend.

We had the front room floorboards sanded and sealed and one or two floorboards either fixed or replaced as necessary and as discussed beforehand. 10 / 10
Excellent job, we're really pleased with the quality of the work and with Pete from Picassos who completed the work. Good communication beforehand, free estimate and all timekeeping was spot on. Pete was clean, tidy and respectful of us and our home. Job started and finished exactly as arranged. Would highly recommend Picassos Flooring and Fireplaces and would use them again.

Picasso fireplace and flooring (Mark, Davey, Peter) repaired, sanded, filled and finished 5 floors over the course of 5 days. Floors were completed to an exceptionally high finish using a level of craftsmanship and attention to detail in all aspects 10 / 10
Quite simply, superb in all aspects of their business from initial survey to conclusion. Very skilled at their craft, these people can literally 'read' floors and do their best to repurpose, match and repair floors such as ours which were previously damaged and patched. They can repair, match sand and stain floors to make the new blend with the old. Extremely hard working, they were very respectful of our household and considerate of our dogs and even our neighbours (letters apologising for noise) would highly recommend these people. Very tidy, bagged all waste and did a great job of moving client slots to enable us to juggle furniture and clear rooms. Would happily be a reference or provide further evidence of their services. Thanks Mark, Davey and Pete, we are delighted.

Living room floor repaired, sanded, sealed and stained. 10 / 10
I wouldn't hesitate to use Picasso's again or to recommend them to anyone. Very open and transparent when the job was quoted and the communication in the run up, during and after was perfect. They were professional, friendly and knowledgeable while carrying out the work. I was expecting this to be a messy job, however little to no mess at all generated while doing the job and everything left clean and tidy at the end. Most importantly of all though, the results! I couldn't be happier with how the floor turned out, it looks absolutely incredible and I genuinely can't believe it's the same floor. You won't regret hiring Picasso's.
