Recent Customer Feedback

Robinsons have just completed three bathrooms in my house to an amazing standard. Nothing was too much trouble, and it's 10 / 10 worth its weight in gold to be able to go into a shop pick everything you want and the company deal with the rest.

So so pleased and highly recommend, you won't be disappointed.

Bathroom completely stripped out. Room fully fitted with ceiling, lights, radiator, bathroom suite, walk-in rainfall shower, LED 9.7 / 10 mirror and fully tiled.

From start to finish Claire and her team were there to help every step of the way. Keeping me informed and adding advice where they could. The quality of the finish is fantastic and I'm very happy with the final outcome.

There after service is second to none too. We had an issue with the basin (factory fault) Claire arranged a replacement and was fitted no problems at all.
