Recent Customer Feedback

Fix leaking shower & 2 taps.

10 / 10

What a brilliant plumber & a such a nice guy Mark Spence is. I have no hesitation in recommending him very highly. He arrived early on both occasions and completed the work quickly and on budget. A pleasure to have work done and also Mark is very knowledgeable. Delighted to find someone to FIX things & not just replace.

Dripping mixer tap on kitchen sink.

10 / 10

Mark arrived promptly and quickly identified the problem as a need for replacement valves on either side of the mixer. He completed the job in about twenty minutes with the problem fully resolved.
