Can't praise Michael's team highly enough.
Excellent communication throughout the week. Arrived 8 am each day and worked through until they were satisfied and everything was left tidy and clean. Their eye for detail deserves particular praise and I was truly impressed by the time and effort they took to get the smallest detail right, particularly Jay and Dan who took charge for most of the work.
Thank you very much to all of you.

Spraining a fitted furniture. **10 / 10**

Extremely good job, very happy with the outcome of the job. We were sceptical about the condition of the furniture. Michael reassured us that him and the lads would get it back to top form. This outcome did happen and I am extremely pleased with the work. High recommended

Full kitchen and living room decorated, including kitchen unit respray. **10 / 10**

Amazing service from beginning to end. Michael was absolutely fantastic, and recommended the best finish for the job, in my case a satin finish. The guys decorated my kitchen and living room, my kitchen units required a whole respray, and as recommended the finish is superb. I cannot recommend the professional service enough; my home feels totally transformed. 5 star service, will definitely be calling again for my staircase and second floor to be done soon! Thanks again!
