Recent Customer Feedback

We recently used Tommy to carry out work on our bathrooms. Tommy did a very good job at a very competitive price and was 10 / 10 very friendly and knowledgeable. We would use him again.

Fitted new showers and screens, fitted boards in shower and around bath and fitted new sinks with cabinets.

Annual service to gas boiler and replacing 4 radiator valves which were not working. 10 / 10

I phoned Tommy yesterday morning to book him in to do the work. He called later that day to discuss the work that needed to be done. He was very friendly and helpful. Also he showed a great deal of knowledge and offered a lot of helpful advice. He called the next day to do the work. He was very clean and tidy and left no mess. I would not hesitate to book him in for any future work needed.

Tommy is a great tradesman who knows what he's taking about and what he's doing. Very neat tidy and an explanation of what he was going at every stage. 10 / 10

Five stars every time.

I discovered a slight intermittent water leak through the lounge ceiling. I contacted Tommy and he responded by calling in the 10 / 10 following day. He quickly confirmed what we suspected which was a leak from the toilet waste.

A worrying leak solved and sorted quickly and efficiently at a reasonable cost.
