Recent Customer Feedback

Painting and wallpapering. 9.8 / 10

Chris was very professional, very friendly and is very good at what he does. The job was finished to such a high standard. <P>Nothing was an issue to sort out. Chris came out when he said he would. He did more than I expected, such as sanding the plaster work to get it right and flat, also very clean and tidy. <P> I had an issue with some paint cracking afterwards and Chris came out the same day to have a look and sort it without any questions. <P> Rory, who works with Chris, is also a top lad aswell and I would recommend them to anyone. I will definitely use them again.

Complete redecorating of two bedrooms. 10 / 10

Town and Country Decorators was recommended to me by a former colleague. I knew that I could expect the highest standard of work and I was not disappointed.The work was completed to an extremely high standard. The bedrooms have been transformed. The work was completed carefully and tidily. Chris Slone arrived punctually each morning and cleared up efficiently each day. We are delighted with the finished work and will be having some external work completed shortly because we know it will be done well.

Chris has done other work for us and this was up to his previous high standard. We are very pleased with the outcome and would certainly ask him to do work for us in the future.
