Chris and Davey did an excellent job of our patio. They arrived on time, got straight on with the work, and were extremely efficient throughout. The quality of the finished patio exceeded our expectations and the attention to detail was fantastic.

They were both friendly, professional, and kept everything very tidy while they worked. We're really pleased with the result and wouldn't hesitate to recommend them to anyone looking for reliable, high quality workmanship.

Thank you both for a brilliant job!

Removing and clearing existing parking area and associated fencing. Laying block paving in the parking area. Erecting fencing and a gate to separate the parking from the garden.

Chris and Davy did a superb job. They were friendly, approachable, punctual and considerate. Before it started Chris gave a rough outline of what they hoped to achieve each day and time frame, weather permitting. They always tidied up and swept up at the end of each day. I felt the standard of the work was high and I was very pleased with the end result. I would happily recommend this company.
