Brilliant builders, highly recommended

We had our garage knocked through and an extension done in April and honestly couldn't be happier with the work.

From the start, the lads were great. They were friendly, reliable, on time every day and really easy to have around. Everything was done to a really high standard, they kept to the budget we agreed and finished when they said they would, which made the whole process so much easier.

We're absolutely delighted with the finished result and would definitely recommend them to anyone. We wouldn't hesitate to use them again. Thanks so much Neil and team!

Great builders would highly recommend.

Budget went up, but only because I changed the specs and I was advised at the time. All the tradespeople were professional and clearly excellent at their jobs. Really friendly and accommodating.
